Welcome to the World Premiere of Senior Theatre Major Hannah Killough's play! As Hannah and I developed this play, we decided to tell a story in the style of the Holiday themed movie romances that have become so popular in recent years. Not only that, this story tells a queer romance without tragedy- something that is rare in popular culture. We hope this story of falling in love over the holidays brings you joy!

-Dr. Christiana Molldrem Harkulich

Playwright.....Hannah Killough
Director.....Dr. Christiana Molldrem Harkulich
