Ms. Furumo distributed and discussed a proposed FY 03 Appropriated and Income Funds Operating Budget Request and FY 03 Summary of Budget Year Capital Improvement Requests.

Julia Abell reported that the Office of Academic Affairs is in the process of preparing the Results Report which is due at IBHE by August 15, 2001. When Eastern receives the budget recommendations and knows how many planning dollars we will receive, the planning initiatives will be reviewed and the money will be distributed. FY 03 planning initiatives were used to build the draft FY 03 budget request.

b. Legislative Update

Dr. Nilsen gave an update of legislative issues. Spring session is due to end on May 25, but may run beyond that date. If the session runs beyond May 31, the per diem ends and passage of bills goes from a simple majority vote
