MARKETING MARKETING

100% PLACEMENT RATE FOR GRADUATES

Marketers create value by providing products to satisfy customer needs. Effective marketing is critical to all successful organizations. EIU Marketing majors develop critical thinking skills needed to develop products and services, set prices, communicate key brand features, and distribute products effectively. They are well prepared for excellent careers in business and graduate school.

Marketing is one of the most popular majors in EIU's School of Business. Students who succeed as Marketing Majors are:

- Creative
- Able to influence and persuade others
- Adaptable and flexible
- Analytical
- Planners and decision makers
- People-oriented

The Marketing Major curriculum emphasizes: analytical skills; ability to interpret data; quantitative analysis skills; research skills; written communication skills; presentation skills; problem solving abilities; and teamwork.

EIU's School of Business is accredited by the Association to Advance Collegiate Schools of Business International (AACSB). AACSB is the premier accreditation body for institutions offering degrees in business and accounting.
