### The Way We Were

This spring, the Fifth Grade Art Explorations Program will focus on themes presented in The Way We Were. The program combines a tour and studio experience and is offered free of charge to fifth grade classes in our eight county service area. Over a two-hour visit, students tour an exhibition, are exposed to new vocabulary and concepts, and create an original artwork using challenging techniques and materials. This program has limited availability and will only be presented on Mondays, Wednesdays, and Thursdays. Teacher registration for this free program begins mid-February and ends March 10th.

**The Fifth Grade Art Explorations Program is presented in cooperation with the EIU Art Education program and underwritten by First Mid-Illinois Bank and Trust.**
