

# BACHELOR OF ARTS IN THEATRE PERFORMANCE

LONELY PLANET

## BE BIGGER THAN LIFE.

With an emphasis in Performance, EIU Theatre students are given ongoing opportunities to perform in the classroom and in our production season. Unlike larger programs, first year and transfer students are eligible to audition immediately and are regularly cast their first year. EIU Theatre is undergraduate-focused, relying on students in every facet of the production. The department regularly brings guest artists to direct and design, giving EIU Theatre students access to a wealth of knowledge and experiences. Upon completion of their degree, Theatre students are prepared to continue their studies in an advanced degree program or to enter the professional world at an entry-level position.
