## Secondary & K-12 Teacher Licensure Programs

### PREPARING GREAT TEACHERS SINCE 1895!

Eastern Illinois University offers secondary (grades 9-12) and K-12 licensure programs within the College of Liberal Arts and Sciences and the College of Health and Human Services. Licensure program options exist in Art, Music, Physical Education, World Language, English, History, Math and Science (Biological, Chemistry, Earth Science, and Physics). An integrative approach to preparing candidates enrolled in the secondary and PK-12 licensure programs requires candidates to complete both academic content area courses and pedagogical courses in educational foundations, secondary education methods, and special education. Provided below is contact information.
